

Forest Conservation By-law - Municipal Contact List

Updated December 14, 2006

The following is a list of contacts for those municipalities where we believe there are forest conservation or tree cutting bylaws. However this may not be a complete list of all municipalities with such by-laws. Please contact your local municipality directly to ensure your tree harvesting activities comply with all local bylaws. A list of municipalities is available at the Association of Municipalities of Ontario website <http://www.amo.on.ca/AM/Template.cfm?Section=Home>. If you find any errors on this list please contact Doris Krahn at doris.krahn@ontario.ca.
