

## Private Tree By-law - Municipal Contact List

Updated April 24, 2007

The following is a list of contacts for those municipalities where we believe there are forest conservation or tree cutting bylaws. However this may not be a complete list of all municipalities with such by-laws. Please contact your local municipality directly to ensure your tree harvesting activities comply with all local bylaws. A list of municipalities is available at the [Association of Municipalities of Ontario Web site](#). If you find any errors on this list please contact Doris Krahn at [doris.krahn@ontario.ca](mailto:doris.krahn@ontario.ca).
