

FOREST PRIMER CONSULTATION PROGRAM

A special opportunity for Ontario Woodlot Association Kawartha Chapter Members only!

The Kawartha Chapter of the OWA and local member consultants are partnering to pass a special discounted consultation service on to members. For only \$150 plus HST you can receive a half-day Forest Primer Consultation valued at over \$250.

During your half-day Forest Primer Consultation a qualified professional will **walk with you in your woodlot** and provide you with professional advice for managing your woodlot and information about available programs and services to help.

They will answer questions you have about:

- forest ecology, dynamics, and tree species
- tree planting and harvesting
- wood products and values
- wildlife habitat features and considerations
- threats such as insects and diseases
- invasive species
- best management practices and available resource

We hope you will take this opportunity to advance responsible woodlot management in the Kawartha Region.

Ralph McKim , Forest Primer Program Coordinator
