

# Wild Leek Tour & Stewardship

Saturday September 9th from 9:30-noon  
Sparrow Path, Erin  
Home of Kevin and Jaqueline

**Topics covered throughout this woodland walk include:**

wild leek/ramps (*allium tricoccum*)  
harvesting,  
seed collecting and germinating,  
transplanting,  
associated species and  
threats

Participants are invited to help out with some invasive species monitoring and management and harvest some wild leek seeds if they wish to grow their own.

**Bring your own mug**, tea and coffee will be provided.

**Pre-registration is necessary.** Please note there is a nominal \$10 fee for OWA members and a nominal \$20 fee for non-OWA members to cover event costs.

**Pre-register by September 1st through the OWA Events Calendar**

**Please consider becoming an OWA member by visiting [ontariowoodlot.com/join](http://ontariowoodlot.com/join)**

We are about *ensuring the sustainability of Ontario's privately owned forest now and in the future* and we *help each other be the best possible stewards of our woodlands*
